

Norman dashes in, looking over his shoulder at something chasing him.

Block moves in, Norman crashes into block.

Norman removes himself from block.

He falls down and stares up at block, surprised.

He gets up.

Then glares at block.

He tries to push it with his hands. It doesn't move.

He moves back slightly in anticipation.

Then pushes it hard with his head

Tired, he rests for a moment.

He sadly leans his head on it.

suddenly, block slides off-screen.

Norman falls on his face.

surprised, he gets up, and looks behind him.

Then happily runs off-screen
